Andrelotter7@gmail.com

Dear Sir

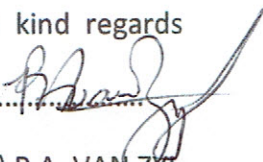

LETTER OF APPRECIATION

Herewith we would like to express our appreciation for what you do on the R75 road.

We travelled on this road on the public holiday Tuesday 16 June. Your team were busy cutting the grass on the sides of the R75. It was a holiday but they carried on with their work. Everybody were working. We travel this road from time to time and we are very impressed with the maintenance work you do and your workers always busy doing their work.

We have appreciation for the condition of the road.

With kind regards

.....
